### SUMMARY

#### Synopsis of Bill

House Bill 934 appropriates \$20,000 from the general fund to the Public Education Department for the purpose of increasing funding for school supplies at West Las Vegas and Las Vegas city schools.

### FISCAL IMPLICATIONS

The appropriation of \$20,000 contained in this bill is a recurring expense to the general fund. Any unexpended or unencumbered balance remaining at the end of FY08 shall revert to the general fund.

### SIGNIFICANT ISSUES

The LFC remains concerned with funding initiatives outside the funding formula as it tends to disqualify school funding and diverts funding away from core educational needs.

**OTHER SUBSTANTIVE ISSUES**

If the appropriation in HB 934 is approved it will encourage other school districts to seek special funding of this nature.

**ALTERNATIVES**

The two school districts in question will fund their school supplies requirements using existing funding arrangements.
